Internet Archive  
Book Donations  
300 Funston Avenue  
San Francisco, CA 94118

Greetings!

The enclosed books have been deaccessioned from our collection. They have been identified as unique volumes that are not currently represented in open access digital online collections, but are in the public domain. I hope, when time allows, you will be able to add these volumes to your online collection.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Baird', with a stylized flourish at the end.

Sandra Baird
